

LEDUP

850/1000 mm

Showcase your product in a revolutionary display system of superb quality with multi frame LEDUP with high quality OSRAM LED technology.

A high level of brightness and even illumination makes LEDUP a champion among illuminated displays. Set up decorative focal points or combine several modules for larger illuminated displays – both allow you to create sophisticated mood elements, even in big rooms.

With just a few easy touches, an impressive appearance is guaranteed. Compact design and sophisticated cardboard carrier allow for optimal storage and transport of both components and digital prints.

Base with double foot

LED lights incorporated

Easy-fit profiles
