

FILM PET FERRICO 180MIC UNIVERSAL

Description:

- Matt white PET with steel film, compatible for UV printing.
- Produced with a halogen-free formula, which meets the most stringent environmental requirements. Anti-rust magnetic receptivity, steel is attracted by magnets, easy to apply, remove and change, leaving no residue.
- Premium PET base, excellent for indoor applications.
- Working conditions: temperature from 15°C to 30°C and relative humidity from 30% to 60%.
- Operating condition: temperature change is within 20°C daily, relative humidity change is within 30%.
- Storage conditions: closed avoiding sunlight, temperature 10°C to 35°C, relative humidity 20% to 70%.
- Shelf life: 12 months under storage conditions. Unfinished material should be sealed and used within one month.
