

# DECOFLOOR TEXTILE BLACK BACK 1000GR

## Description:

Carpet with textil front, non-slip and a black back that make it 100% opaque. It has great dimensional stability, which makes it ideal for applications at fairs, decorative carpets, and events that require a very resistant, non-slip and easy-to-apply printed floor. As it has a black back, it can be applied to floors or walls with color changes.

With a textured print surface, it can also be used on uneven wall applications and achieve an ideal interior textured finish.

Compatible with UV and latex printing.

## Applications:

Ideal for hotels, stand floors, promotional events, etc.
