

## L-BANNER

L-shaped structure with upper and lower clip-type profile in anodised silver colour.

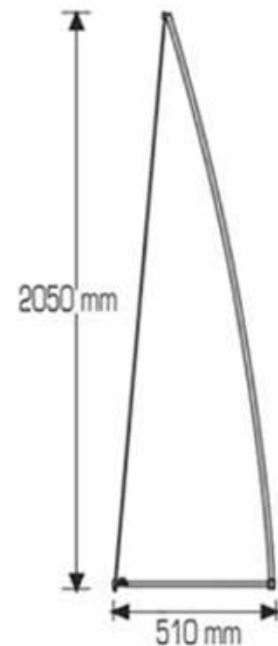

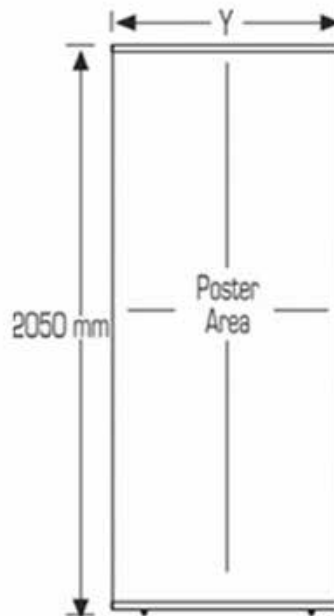

It incorporates an elliptical mast with 18x20mm profile and a 14mm diameter folding rear tube.

Includes grey fabric carrying bag. Optional rigid black tubular bag.

Available in sizes 80 and 100cms.

The product is supplied in boxes of 10 units.

Ideal for exhibitions, trade fairs, trade promotions, trade fair stands, exhibitions, information centres, receptions and corporate or commercial events of all kinds.
