

Banner Monsoon

Large format double-sided frame for outdoor use. Made of lightweight aluminium, ideal for attaching tarpaulins using eyelets. Formed by 25mm square tube, finished in natural aluminium colour, and reinforced with plastic mouldings. Easy to assemble, no tools required, thanks to the plastic connecting pieces. The graphic is fixed to the frame with adjustable elastic fasteners.

Supplied complete with pegs and carrying bag.

- ✓ Available in 2 sizes
- ✓ High stability outdoors
- ✓ Transport bag included
