

HOLDER

PVC profiles with snap hinge closure, suitable for signage up to 1mm tick.
Economical and easy to use, they include hangers in the same colour that can be positioned anywhere on the profile.

Available in black, white and transparent.

- Better grip: prevents paper from falling off.
- High efficiency: supports posters or large maps perfectly. Up to 2.40m wide.
- Very easy to cut, to adjust to the size of the poster or map.

Total ease of use in **just 5 steps**:
